

Proposed time: 30 minutes

Step 1

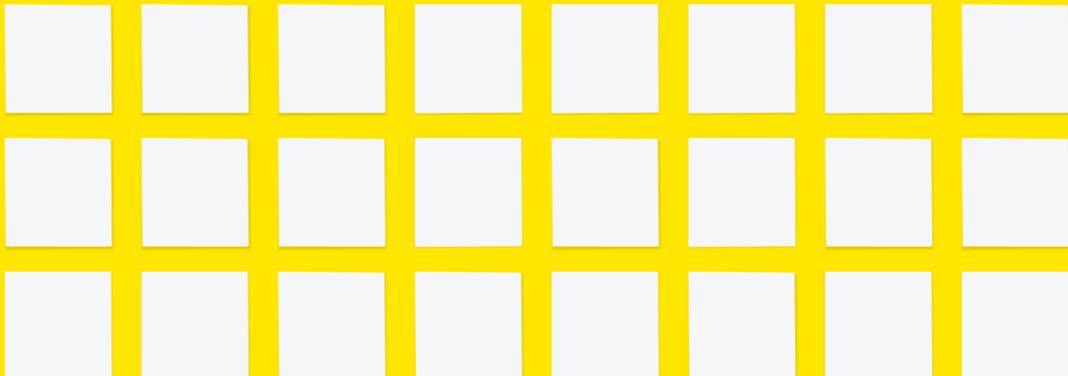

Why do we want to set up/support an energy community?

Objective:

Define the purpose of your project

Instructions:

1. Individually, do a brainstorming on WHY you think you want to set up an energy community in your city. Write each idea individually on a sticky note (≈ 10 mins)
2. Cluster similar ideas by moving the sticky notes (≈ 5 mins)
3. As a group, discuss on the ideas on the board and come up with a shared purpose (≈ 15 mins)

Write in this space your shared purpose
